Interactions for FP/AFP 2013

FP 2013 – what's the same/changed

- National timeline/deadlines
- National eligibility checking
- MS nominate eligible students
- 2-week application period
- All UoAs ranked by preference
- Pre-allocation for special circs
- MS provide academic measure
- Verification of scores
- National allocation to UoA
- Primary & reserve list
- Local match to programme
- On-line references
- Reserve list batch allocations
- Similar, but with revisions
- Using FPAS
- No change
- No white-space questions (SJT)
- No scoring by 1st choice UoA
- No national panel
- EPM deciles replace quartiles, max score = 43 (was 40)
- Max score = 7 (was 10)
- February not December
- No change
- Later date, optional 2-stage match & improved algorithm
- No change
- Slightly later 1st batch

AFP2013 – what's the same/changed

- National timeline/deadlines
- National eligibility checking
- National minimum person spec
- Single, generic application
- Select Academic UoAs
- Provide supplementary info
- Local short-listing & interviews
- National offers & acceptance deadlines
- Cascade of offers & acceptance deadlines
- Unplaced applicants = FP alloc
- Unfilled places = local decision
- Aligned with FP timeline
- Combined with FP eligibility
- No change
- October, not May
- 2 AUoAs maximum
- Provided via FPAS (not off-line)
- Option to manage interviews via FPAS
- Offers & acceptance via FPAS, optional on-line algorithm
- 3 rounds of offers & acceptance via FPAS
- No change
- No change
